

Getting to Despina Villa from Heraklion Airport

1. From Heraklion Airport, follow signs to "NEW NATIONAL HIGH WAY" E75 (there is an exit from the airport to the new national highway). Drive west following the signs for Rethymno and Chania.
2. Keep driving for 180km (nearly 2 hours) towards Chania. DO NOT ENTER INTO CHANIA TOWN. Keep driving past signs into Chania Town, and follow signs towards Kolimbari and Kisamos, which are to the west and away from Chania
3. After 10-20 minutes drive, take the exit for **PLATANIAS** . Follow this exit road which ends in a T-junction. Turn right at the T-junction to Plataniias.
4. Continue straight, for 1 mile (1.5 km), passing through a very busy village, Plataniias. Once through Plataniias (which ends with a long white-washed stone wall on the right), watch out on the right for a blue-fronted hotel called Epimenides. After that hotel you will see Souvenirs Sun Ray and a small **ceramics** seller. Turn right immediately after the ceramics seller and follow the road round (see diagram below).
5. Turn left at the corner mini-market with a stone wall into a very narrow road. The first house on the right is Despina Villa. You can park opposite. You can park opposite.
